- Please note that you will be charged an additional \$ 5 late fee per 15 minutes after 4:00 p.m.
- It is important to know that a \$ 25 fee will be charged for Non-sufficient funds (NSF) checks.

Guidelines – COVID 19

Very important: if the user has been in contact with:

1. confirmed cases of COVID-19;
2. people who have been in close contact with a confirmed case of COVID-19;
3. people awaiting the result of a COVID-19 test;
4. people with symptoms compatible with COVID-19 (ex. fever, onset or worsening of a cough, difficulty breathing, sudden loss of smell without nasal congestion).

The user must not leave home and especially not present at ALEDIA.

I have read and confirm my responsibility to the organization for the propositions mentioned above.

DESCRIPTION OF ACTIVITIES

Presentation and discussion	Various subjects presented in order to develop knowledge on different themes through presentations and discussions.
Arts and crafts	Workshops to develop artistic skills using different techniques such as cutting, coloring, painting, collage and drawing.
Rythmo !	Music class offered by a professional.
Sensory Development	Allow participants to further develop their senses, such as sight, smell, touch and hearing. They will have access to different materials and will have the chance to make their own sensory tools.
Awareness !	The objective of this workshop is to educate as many of our participants on various topics. This will increase their self-esteem as well as their autonomy. They will also be able to develop the knowledge they learn through different activities (hair washing, nail care, fire alarm, self-control and more.) * Take note that the activities are not performed on the participants.
Language stimulation	Language initiation, through pronunciation, writing and reading activities.
Science/nature/technology	The participants will be led to discover through presentation and discovery workshop different notions of science, nature and technology.
Self-care	Develop gross motor skills through different yoga movements. Get participants to develop techniques for dealing with emotions, such as breathing.
Culinary workshop	Collective preparation of a recipe to develop fine motor skills through culinary skills such as cutting, peeling, grading, mixing and measuring.
Around the world	Workshop on different countries to learn about different notions such as cultures, languages, clothing around the world.
Let's discover different professions	Participants will have the chance to discover different professions through presentation, discussion and activities.
Take 1, Action!	Develop the creative sphere and the language sphere by learning texts and movements, in order to create scenes inspired by stories and plays.
Pet store	Develop knowledge about different animals (Habitats, what they eat and more).
Aledia`s craftsmen	Participants will be able to use their creativity while working their fine motor skills and creativity through a long-term project. They will then be able to see their project develop during the session.
Library	Participants will work on their cognitive sphere by listening and understanding the meaning of the story using gestures, sounds, images and questions that the speaker will propose.
Games	This workshop will allow participants to have fun and maintain memory and concentration using different games, such as board games, seek and find, puzzles, etc.
Warm-ups and physical exercises	A day dedicated to improving fitness and team spirit from various group sports (cosom hockey, balloon hunting, soccer, badminton, yoga, dance, etc.). Initiation to the martial arts in order to increase the capacity of concentration, the control of oneself and the esteem of the users.
Hockey Cosom	Improve physical fitness and team spirit. Amélioration de la forme physique et de l'esprit d'équipe.
Karaté	Introduction to martial arts offered by a professional, in order to increase the capacity of concentration, self-control and self-esteem.
Various activities	Participants will have a choice of various team activities, such as hunter ball, dancing, walking and more.
