DESCRIPTION OF ACTIVITIES

Presentation	Various subjects presented in order to develop knowledge on different themes through presentations and discussions.
Arts and crafts	Workshops to develop artistic skills using different techniques such as cutting, coloring, painting, collage and drawing.
Let's Learn	This activity offers different learning concepts, such as numbers, colors, animals, association and more. Adapted to each participant, they will learn or perfect their knowledge.
<u>Rythmo !</u>	Singing workshop allowing participants to express their creativity through words and a choice of a song.
Pet store	Develop knowledge about different animals (Habitats, what they eat and more).
Painting workshop	Encourage participants to develop their fine motor skills and creativity through the painting workshop.
Games	This workshop will allow participants to have fun and maintain memory and concentration using different games, such as board games, seek and find, puzzles, etc.
Dance	Participants are encouraged to develop their gross motor skills and the sphere of imitation within the framework of dance. Class sometimes offered by a professional.
Culinary workshop	Collective preparation of recipes to develop fine motor skills through culinary skills such as cutting, peeling, grating, mixing and measuring.
Library	Participants will work on their cognitive sphere by listening and understanding the meaning of the story using gestures, sounds, images and questions that the speaker will propose.
Professions	Lead participants to discover different professions.
Group Games	This workshop offers a variety of playful activities promoting interaction and cooperation among participants.
Awareness!	The objective of this workshop is to educate as many of our participants on various topics. This will increase their self-esteem as well as their autonomy. They will also be able to develop the knowledge they learn through different activities (hair washing, nail care, fire alarm, self-control and more.) * Take note that the activities are not performed on the participants.
Aledia's Craft men	Participants will be able to use their creativity while working their fine motor skills and creativity through a long-term project. They will then be able to see their project develop during the session.
Home Theater	Encourage participants to develop a critical sense after watching a film and to develop the cognitive and linguistic sphere.
Olympiads	An activity allowing participants to develop their gross motor skills through different courses.
Warm-ups and physical exercises	A day dedicated to improving fitness and team spirit from various group sports (cosom hockey, balloon hunting, soccer, badminton, yoga, dance, etc.). Initiation to the martial arts in order to increase the capacity of concentration, the control of oneself and the esteem of the users.
Sports group	Improve physical fitness and team spirit. Amélioration de la forme physique et de l'esprit d'équipe.
Various activities	Participants will have a choice of various team activities, such as hunter ball, dancing, walking and more.
